World travel and tourism is generating in excess of US\$7 trillion a year, and is expected to rise to over US\$13 trillion over the coming decade according to the World Travel & Tourism Council's (WTTC) Tourism Satellite Account (TSA) research, sponsored by Accenture and prepared by Oxford Economics. The magnanimous size of the industry has resulted in a proliferation of booking engines and business opportunities to sell membership packages worth substantial discounts at hotel properties throughout the world.

While it is exciting for travelers to have all these options, it can also be a challenge to search through all available information to find out which ones are legitimate and actually work! That is why I am writing this article. To share with you an opportunity that has had a profound impact on my life and truly believe it will do the same for you.

GLOBAL RESORTS NETWORK (<http://www.newwaytotravel.com>) is a marketing arm of a 20-year old company that is a market leader in the resort travel business. They offer a platinum luxury resort membership that provide you with unrestricted access to over 5,000 of the most luxurious hotel and resort destinations in the world. Large number of properties available through this membership can not be booked using other on-line travel sites, like Orbitz or Tracelocity, because access to them is limited to timeshare owners only.

By becoming a member of Global Resorts Network you will never have to pay more than \$799 for one week's stay at a four- to five-star resort and in many cases will pay as little as \$299. It is not a misprint! \$299 for a full week of resort living! Not just a tiny room in the hotel, but full-scale

resort unit, with kitchen, bedrooms, living room and all the amenities of a 4-5 star resort! With no blackout dates or restricted weeks, you are in complete control. Whether you want to go to Hawaii or Cabo in peak season, Colorado in ski season, Arizona in golf season, or take a Disney Cruise in any season, our membership offers a service like no other.

As a member, you have access anytime to top resort destinations; including highly sought after timeshare resort properties, world famous Sheraton Resort properties, Marriott Resort Properties, and many other luxury resort destinations (enjoy discounts on all the major cruise lines as well).

One of the best member benefits is that there are no annual dues or exchange fees, no maintenance fees, no restricted weeks, and no blackout dates- giving you year-round access to the world's top resorts in peak season, completely eliminating any need for a timeshare purchase! The price of the Platinum Membership is only \$2,995! Compare it to a timeshare cost ranging from \$7,000 to \$40,000 and it you will realize the what a great product it is. The matter of fact, the membership will pay for itself after only two or three vacations!

Since the membership is fully transferable, it will provide you, your children, and your children's children, a lifetime of vacation happiness and memories. What makes Global Resorts Network even more appealing is that you can profit from this business opportunity by promoting it within your network of relationships. We offer one of the most aggressive compensation structures in the business and more importantly our FREE EBOOK (<http://www.oceaniswaiting.com>) will provide a step-by-step guide on how you can make enough money from this opportunity that you will never have to work a real job again!
