Article Body:

Armani sunglasses are the leaders in the area of eyewear as protection from the sun. Designed by Giorgio Armani, these sunglasses are the best Italian sunglasses on the market. Armani sunglasses are extremely light and the only reason you know you're wearing them is because they block out the glare of the sun.

The Armani sunglasses come in styles for women or men, but you can also get these designer sun glasses in unisex styles. Giorgio Armani sunglasses are one of the most stylish brand names in sun glasses in the world. These designer sunglasses are sought after and everyone wants to wear them to make a fashion statement.

If you are looking for authentic sun glasses designed by the best, then Giorgio Armani sunglasses are the ones to choose. When you order your Armani sunglasses online you can choose from a wide selection of style and find out whether the design you like best are suited for male or female. For example, the 134/S line of Armani sun glasses are marked as male and feature metal frames. If this is a style that you like, you can choose the type of lens you want in these sunglasses, such as Rhodium/ Riviex, Shiny Violet or Rhodium gray.

Each type of Armani sunglasses has a different selection when it comes to the color of the lens. You can get Giorgio Armani sunglasses to fit the size of your eyes and you can add your eyewear prescription when you place your order online. If you are not sure what your eye size is to help you order the sun glasses correctly, the information is included on the site to help you.

When you order Giorgio Armani sunglasses, you should know that only the highest quality lenses are used in every pair of sun glasses. Armani applies just the

right coatings to the lenses and each purchase of Armani sunglasses also includes a free silk lens cleaning cloth. In addition, the Armani sun glasses carry a one-year warranty against any lens defect that might occur in the manufacturing process. What more could you ask for when you are getting this much quality for your money?
