## Article Body:

You might not realize it, but there are many ways to get free sunglasses. You might laugh off the promotional ads for free sunglasses thinking that these are only toy sunglasses or sunglasses that won't protect your eyes very much. The truth is that many designers do give away sunglasses for free with promotional ads.

You do have to be on your toes to get free sunglasses from all the popular designers. Just doing an Internet search will give you many results where you can get sunglasses for free. Sometimes when designers come out with a new style or a new line, they offer free promotional sunglasses for a limited time only. With all of the ads that give you free sunglasses, there is a limit of one pair of sun glasses per customer. However, if you avail yourself of several offers, you could accumulate a sizeable collection of designer sunglasses and not pay one penny for them. Online prices are cheaper so it will seem as if you are getting the sun glasses wholesale.

Some of the ways that you can get free sunglasses involve visiting trade shows. While this might not be feasible for some, there are many cities where there are trade shows featuring all the top sunglasses designers. Each booth usually has free promotional sunglasses that they pass out to a specific number of visitors. Other options include entering your name in a draw for a free pair of sunglasses.

An easier way of getting the free sunglasses is through the online retailers of designer sun glasses. If you are looking for sunglasses on the Internet, you are obviously in the market for buying a pair. If it doesn't matter what kind of sunglasses you get, then you can do a search through many sites to find the

lowest price sunglasses. Even if you have a certain brand name in mind you can get free promotional sunglasses on the company or dealer websites.

The free promotional sunglasses are available when you place an order with one of the many online dealers. Most of the sites offer you the opportunity to buy one pair at regular price and get another pair free. Since you intended to buy the sunglasses anyway, not you get free sunglasses, just for ordering. If you and a friend team up to place the order, you get the designer sunglasses you want for half price or sunglasses wholesale.

Believe it or not you can get free sunglasses.
